

Sevier Solid Waste Inc.
Serving Sevierville, Pigeon Forge,
Gatlinburg, and the Great Smoky
Mountains National Park

All our waste is fed into a state-of-the-art composting facility that has received world-wide attention. Our innovative process's success is hinged upon your help. We cannot accept the following in your normal garbage dumpster:

- Hoses
(water, air line and plastic)
- Elastic Tubes
- Wires
- Tires
- Cloth ropes
- Draperies
- Carpet/Rugs
- Cloth Ropes
- Cables
- Tarps
- Nettings
- Chains
- Rolled plastic
- Furniture
- Propane Tanks
- Automotive Tanks
- Motor Vehicle Batteries
- Small appliances or computers
- Demolition Waste
- Hazardous/Medical Waste

WHAT SHOULD YOU DO WITH THESE MATERIALS?

Sevierville: (865) 429-4567

Pigeon Forge: (865) 429-7334

Gatlinburg: (865) 436-5959

Sevier County: (865) 428-0042

WHY IS THIS SO IMPORTANT?

The items listed on the front of this card break our equipment - causing us to landfill our waste during repairs. This costs YOU!

The more we use our landfill, the less landfill space we have. Once we fill our landfill, the cost of waste disposal can triple!
